

[Segment One]

Narrator:

Ladies and gentleman, boys and girls, sit back, fasten your seatbelts, and get ready for a musical spin around the planet! It's Chuck E. Cheeses Fabulous World Adventure! And here to put a super spin on that terrific trip, it's the mouse with a tale to tell: Chuck E. Cheese!

[applause]

Chuck E. Cheese:

Hey hey hey! Thank you very much, and right now I'd like to introduce my companions in travel and so-

Bird:

SQUAWK! That's me!

Chuck E. Cheese:

Heh, well actually bird, I was referring to those who traveled with me around the world!

Bird:

Oh, well.. Like, like who?

Chuck E. Cheese:

Well, like Helen Henny! Whose golden voice has been heard around the world! Munch, who has his fingers on the pulse of the planet. Pasqually, the man with the world beat! And Jasper, the music hound who really digs the earth! Hey everyone!

Helen, Jasper, Munch, Pasqually:

[overlapping chatter]

Bird:

[whistle] Boy, I wish I could've had all that fun going around the world with you!

Jasper:

Well, it's almost as much fun reliving the trip by looking at all the pictures we took!

Pasqually:

Yes, see, then it's a good thing we took lots of pictures on our trip around the world.

Munch:

Yeah! Let's show the pictures, I can hardly wait to relive our adventure!

Chuck E:

Well then let's not wait! Uh, Larry, could you start with the pictures of everyone loading up the ATW?

Larry:

Right away, Chuck E.!

Bird:

Um, I, hey Chuck E? What does ATW mean?

Chuck E:

Oh yeah, thanks for asking, Bird. ATW is short for All-terrain Winnebago.

Bird:

Oh!

Larry:

Hey, Chuck E., are these the pictures?

Helen:

Oh, look everybody! There we are in front of the ATW, our favorite way to travel.

Pasqually:

Yes, and there we are getting all our suitcases on the ATW!

Jasper:

And there we are packing the suitcases!

Munch:

And there's Pasqually dropping the suitcases!

Pasqually:

And there's Munch tripping over the suitcase I dropped!

Helen:

There Jasper is packing more suitcases on top of Munch!

Chuck E.:

Those look great Larry! Just keep the slides coming and we'll tell everyone about our trip around the world! So, uh, who here wants to start?

Helen:

Oh, I do! Well, we hit the road and started down south. All the way to South America!

Bird:

Wow! It's a long drive to South America!

Pasqually:

And the whole time, Munch kept asking-

Munch:

When are we gonna get there? And,

MMBB:

Are we there yet?

Pasqually:

So, we decided to do something fun to pass the time.

Jasper:

And everyone knows that one way to have a howling good time on a trip is to sing songs!

Chuck E.:

That's right! Of course in South America, they have Latin music! Which has such a wonderful rhythm, it makes you want to dance!

MMBB:

[various agreements]

[Rhythm Is Gonna Get You Song Sequence]

Bird:

Hey, uh, so Chuck E., where did you go on your next adventure?

Chuck E.:

Well, why don't you tell him Munch?

Munch:

Yeah, okay, we went underwater!

Jasper:

Actually, we headed off for the far away places across the big Pacific Ocean!

Helen:

But we decided it would be a lot more fun to travel under the water than on top of it!

Chuck E.:

Lucky for us the All-Terrain Winnebago can go just about anywhere! When pretty soon, we ran up on a deserted tropical island. We figured it would be safer if we stayed on that island for a while. So, we just made the best of it didn't we, gang?

MMBB:

[various agreements]

Chuck E.:

Hey, Larry! Show those pictures of the little village we made.

Larry:

Okay, Chuck!

Jasper:

Hey, my favorite part was the golf course.

Helen:

My favorite was the health resort and spa!

Munch:

I liked the amusement park.

Pasqually:

and I liked the food! Tremendous triple tropical pineapple coconut pizza! With extra cheese, of course.

MMBB:

[various chatter]

[Cheese Pizza Is Pure Delight Song Sequence]

Chuck E.:

Well, all good things must end. And it was finally time to leave our island paradise to continue our adventure around the world.

Pasqually:

The plane, the plane!

Chuck E.:

That's right!

Bird:

[laugh] Oh, the pain! The pain!

Helen:

So we packed up, said goodbye to the island, and took off into the wild blue yonder!

Chuck E.:

Oh, and speaking of taking off, this would be a good time to take a break, We'll be back in a few minutes everybody, to tell you more about our Fabulous World Adventure!

Bird:

Oh boy, I can't wait!

MMBB:

[various goodbyes]

[Segment 2]

Narrator:

Ladies and gentleman, boys and girls, get ready to relive Chuck E. Cheese's fabulous world adventure! They had a great time, and now they want to share it with you. And now, here he is, the mouse of the house, Chuck E. Cheese!

[applause]

Chuck E:

Thank you, thank you thank you! Welcome back everyone! We're having lots of fun looking through the pictures from our trip around the world!

Jasper:

Hey, I bet everyone out there likes to remember the fun things they've done on their trips, too!

Munch:

Yeah, like when we went to that big island.

Bird:

Hey, uh, you've already told us about getting stranded on that tropical island, Munch.

Munch:

No, no, no, I'm talking about the really BIG island we went to after that.

Bird:

Oh, oh..

Chuck E:

Bird, Munch is talking about when we flew the all-terrain winnebago to Australia!

Munch:

[Australian accent] Yeah, right mate! The big island down under!

Jasper:

They call Australia 'the land down under' because it's located all the way down on the bottom side of the Earth!

[Land Down Under Song Sequence]

[small non-CEC sequence as follows: opera house setting]

Narrator:

And now, direct from the Sydney Opera House in Sydney, Australia, here's Eddie Coker!

Eddie:

[opera singing]

[applause]

Rich Audience Member A:

He reminds me of a young Ettore Bastianini.

Rich Audience Member B:

Quite right. Stupendous seniority.

[Cut back to CEC]

Bird:

Woah, haha, that was weird!

Chuck E.:

Yeah, I think that's what they call opera. It's not weird, it's just unusual if you're not used to listening to opera.

Pasqually:

Well, there certainly are a lot of unusual things in Australia.

Chuck E.:

Definitely. So let's also tell them about the unusual animals they have there.

Helen:

Like the emus!

Jasper:

And the kangaroos!

Munch:

And the Tasmanian devils!

Pasqually:

And the koala bears!

Chuck E.:

Oh, yeah. We sure had a lot of fun in Australia. But of course we couldn't stay there forever. We had to continue our trip around the world!

Helen:

Oh, can I tell where we went to next?

Chuck E.:

Be my guest, Helen.

Helen:

We went to China! It's an ancient country on the other side of the world!

Pasqually:

And we went to see something that has been around for thousands of years: The Great Wall of China! It's a big wall that goes on for thousands of miles!

Helen:

Oh, and we met a lot of Chinese people too! They do things very different from us. The way they eat, the clothes they wear, the kind of houses they live in!

Chuck E.:

That's right, Helen! But I think people are really the same everywhere we go, they just have different ways of doing things!

[We Are the Same Song Sequence]

Bird:

Hey, hey Chuck!

Chuck E:

Yeah?

Bird:

Everyone should know something else about China.

Chuck E.:

Oh, What's that bird?

Bird:

It breaks very easily.

MMBB:

[grumbles of disappointment]

Chuck E.:

Good point, Bird. It's time for us to take a little break so all of you can make tracks to your favorite game, or to get an ice cold refreshment. We'll be back in just a short few minutes to tell you more about our fabulous world adventure!

MMBB:

[various goodbyes]

[Segment 3]

Narrator:

Ladies and gentlemen, boys and girls, let's get ready to return to Chuck E. Cheese's Fabulous World Adventure! Starring the world's most terrific traveling mouse: Chuck E. Cheese!

Chuck E:

Thank you! Welcome back, everyone! Glad you could be here with us to hear about the next stop on our Fabulous World Adventure. Europe! Now, does anyone here know anything about Europe?

Bird:

Oh, oh oh oh I do! Me me me me! I know Chuck E.!

Chuck E.:

No.. oh, okay Bird why don't you tell us?

Bird:

Europe! It's what they say to the batter in the baseball game!

Chuck E.:

What?

Bird:

You're.. Up!

Chuck E.:

[sarcastically] Heh.. heh heh.

Jasper:

You had enough of this yet?

Chuck E.:

Uh, hm, I think so. Okay bird, you got me. Jasper, why don't you show everyone where Europe is?

Jasper:

My pleasure, Chuck! Europe is next to Asia, above Africa, and all the way across the ocean from North America where most of you live!

Pasqually:

And it's made up of lots of small countries that have their own language.

Helen:

And customs!

Munch:

And food.

Chuck E.:

Oh, that's right there's uhh.. French fries..

Pasqually:

And pizza.

Helen:
Sauerkraut!

Munch:
And pizza.

Jasper:
Fish and chips.

Pasqually:
And pizza.

Chuck E.:
Paprikash and goulash.

Munch:
And pizza.

Helen:
Waffles and pastries!

Pasqually:
And pizza!

Jasper:
Spaghetti and kielbasa.

Munch and
Pasqually: And pizza!

Chuck E.:
Okay, we get the point. Now, what do you say we show everybody
our trip through Europe?

MMBB:
[mutual agreement]

Chuck E.:
Larry, you roll the video we shot in Europe while we provide a
little traveling music.

Larry:

No problem, Chuck E.!

[Song From England, Auf Wiedersehen, Irish Lullaby, Allouette, We
Went to Italy Song Sequence]

Helen:

You know, the world is filled with so many wonderful places!

Pasqually:

It's so true.

Jasper:

My favorite place we visited on our adventure was Africa.

Chuck E.:

Yeah!

Jasper:

It sure was exciting to cross the Sarahah Desert and visit the
brush country where all the great animals run wild!

Munch:

Yeah, we went on a photo safari to take pictures of the wild
animals in Africa.

Pasqually:

I got a picture of a giraffe.

Jasper:

And I got a hippopotamus!

Helen:

I took a wonderful picture of a zebra.

Munch:

And I took a picture of an elephant!

Bird:

Yeah, but what was the most exciting picture you took?

Chuck E:

Oh, well, the most exciting picture we got is when we came face to face with one of the most ferocious animals on Earth, the king of the beasts, a sleeping LION!

[The Lion Sleeps Tonight Song Sequence]

Chuck E.:

Yeah, that lion slept like a baby.

Helen:

He was so cute!

Jasper:

Until he woke up.

Chuck:

Yeah, it was definitely time to go. And speaking of that, this might be a great time for us to take a break.

Wilson:

Um, excuse me.

Chuck E.:

Do what? Oh, look everyone! It's Wilson! Hi Wilson, what's up?

Wilson:

Hey, Chuck E., listen, as long as you all are gonna take a break, do you mind if I borrow your audience?

Chuck E.:

Well, I guess not!

Wilson:

Okay, uh, jambo, everybody, my name is Wilson Hackett, and I'd like to teach all the kids to say 'hello' in lots of languages.

MMBB:

[unison agreement]

Chuck E.:

Why not? After all, when you travel around the world, you at least need to be able to smile and say hello! We'll be back in a few minutes, but in the meantime, all of you can learn from Wilson how to say 'hello'!

[Wilson 'Hello' Sequence]

[Segment 4]

Narrator:

It's time one again to join Chuck E. Cheese and the band on their Fabulous World Adventure! So, here he is, the mouse that's been around the world and has come back to tell about it. Chuck E. Cheese!

Chuck E.:

Thank you, thank you! We've been telling everyone about our fabulous trip around the world! We went to some pretty far away places.

Bird:

Not to mention far out places!

Chuck E.:

Yeah. Hey Larry!

Larry:

Yeah, Chuck E.?

Chuck E.:

Are you ready to show the pictures of when we left Africa and took off across the Atlantic Ocean for North America?

Larry:

Uh, is it this one?

Chuck E.:

Mm, nope.

Larry:

How about this one?

Helen:

We were floating!

Jasper:

Yeah.. In the all-terrain Winnebago?

Larry:

This?

Pasqually:

No, it was like a boat.

Larry:

Oh, you mean this one?

Helen:

Yes! It was the boat of love, and we all fit the part so beautifully.

[Boat of Love, We Sail the Ocean Blue Song Sequence]

Helen:

That's not how I remember it.. But I guess we had a fun time anyway!

MMBB:

[agreement]

Bird:

Yeah, it sure is great seeing how different everything is around the world.

Jasper:

Sure is, but I noticed one thing is the same wherever we went.

Chuck E.:

What's that, Jasper?

Jasper:

Everyone loves music!

MMBB:

[agreement]

Chuck E.:

You know something, you're right Jasper! There are lots of different places in the world and lots of different people. But everybody loves music!

[We All Love Music Song Sequence]

Chuck E.:

Oh, hey, you know it sure is great to be back here at home with all our friends.

Helen:

You're right, Chuck E., there's nothing like being home. And we can always go look at all our great pictures to relive our fabulous world adventure!

Pasqually:

That's right, they bring back such great memories.

Bird:

Uh, so, why don't we look at them again? Right, right now.

MMBB:

[agreement]

Chuck E.:

Yeah, I guess we can! Why not? But first, I think we should take a little break so everyone can grab a drink, another slice of pizza, or play a couple of games! Then, we'll be right back with our Fabulous World Adventure!

MMBB:

[various goodbyes]

[End of showtape]
